From The Desk of the Principal

Tamaso MA Jyotirgamaya- Education leads from darkness to light. Out of all levels of education, higher education is the key to transform a society. Established in 2001, BMBB Commerce College aims continual growth in the quality of all academic activities with a sense of commitment to meet the expectations of the students, parents in particular and society in general. From the date of establishment, the college is striving hard to help the students in generating knowledge, acquiring skills, developing positive attitude for bringing success for them in this highly competitive world. The college has tried its best to create a safe social and physical environment that helps the students to learn and succeed. It is our commitment that we will endeavour to empower our students who are the future citizens of our country to become the forerunner in these days of emerging competition and human being in true sense of the term. In order to accomplish the vision and mission of this higher educational institution, the Promoter, Governing Body, Co-ordinators, Faculty Members, Non-teaching staff, Guardians and the Students are prepared to take as much effort as possible with a team spirit. Here, I take the opportunity to acknowledge the contribution of all the members of BMBB Commerce College family in making the college one of the best institutions.

My best wishes to the students waiting to be admitted at BMBB Commerce College. The whole college family is eagerly waiting to help and guide the new students entering BMBB Commerce College for transforming their dreams & aspirations to reality.

With Thanks.

Dr. Khargeswar Deka
